MEMORANDUM

To: Parks and Recreation Commission
From: Lonnie Brokke
Date: January 29, 2013
Re: Notes for Commission Meeting on **Tuesday, February 5, 2013**

1. **Introductions/Public Comment Invited**

Commissioners and staff will be introduced. Public participation and public comment is encouraged.

2. **Approval of Minutes of the January 10, 2013 Meeting**

Enclosed is a copy of the minutes of January 10, 2013. Please be prepared to approve or amend.

Requested Commission Action: Approve/amend meeting minutes of January 10, 2013.

3. **Commission Goals 2013-15**

Based upon previous Commission work and discussion, Commissioners Diedrick and Simbeck have been working as a subcommittee, with staff, to draft a set of Commission Goals for 2013-15. Enclosed is a draft copy for Commissioners to review, discuss and consider at the meeting.

Requested Commission Action: Review and consider proposed goals; offer comments and suggestions.

4. **2013 Commission Meeting Calendar**

You had finalized all your 2013 monthly meeting dates except for the months of June, September and November. At your January meeting, the possibility of a July meeting was also discussed.

The June meeting is your annual joint meeting with the City Council and is confirmed for Monday, June 10 beginning at around 6:30 p.m. and will be for about 45 minutes. Please plan to meet immediately after your City Council discussion in another meeting room to discuss any necessary updates and/or to provide advice on the Renewal Program.

On July 17th, there is a Discover Your Parks program at Howard Johnson Park that will conclude at around 8:00 p.m. It was suggested that a meeting could be held either in the park or at City Hall that evening at 8:00 p.m. The purpose for having a July meeting is to discuss any necessary updates and/or provide advice on the Renewal Program.

For the September meeting, you have decided to tour selected park and facility locations on a Saturday morning. Please look at your calendars on your availability.

In November, because of Election Day, your meeting must be moved. At this point, the City Council Chambers are available on Thursday, November 7th or Thursday, November 14th.

Attached is an updated draft calendar. Please look at your calendars prior to the meeting to see what works best for you.

Requested Commission Action: Finalize calendar for 2013.

5. **Park and Recreation Renewal Program**

The mandatory pre-proposal education meeting for the Natural Resource Project Consultant and the Playground Design and Installation Vendors was held on Monday, January 28th with approximately 40 people attending. Proposals are due on February 6, 2013 with the selection process to follow.

The Best Value Procurement presentation by Dr. Dean Kashiwagi was held at the City Council meeting on Monday, January 28th. It was well attended with positive feedback from folks attending as well as those watching from home. It is televised; web streamed and will be rebroadcast. Thanks to all who attended and/or watched from home.

The City has received a 2013 Clean Water Grant (Legacy Funds) through the Board of Water Resources (BWSR) in the amount of \$359,000 to be used to create a system that will collect storm water from the SW area and improve water issues in the park and tennis courts. This will be a coordinated project between Public Works and the Parks and Recreation Renewal Program.

The HANC meeting is scheduled for Saturday, February 2nd, beginning at 8:00 a.m. The second follow up meeting is scheduled for Saturday, March 2nd. An update will be provided at the meeting.

A neighborhood meeting for Lexington Park is scheduled for Tuesday, February 12th at 7 p.m. in the Council Chambers at Roseville City Hall.

The Natural Resource and Trails Subcommittee is moving forward.. Commissioner Doneen and staff will provide additional information to you at the meeting. Further comments and suggestions from the Commission are encouraged.

- The Langton Lake Park natural resource grant project has begun, buckthorn has been cut, treated and it is anticipated that interested volunteers will now be engaged to begin removal to a chipping site.
- The Reservoir Woods Project will begin in the spring.
- The B2 trail survey work is complete with neighborhood/community meetings to follow.

As the Natural Resource consultant is on board and projects solidified, interested volunteers are anticipated to be engaged.

Any new progress will be reported at the meeting.

Requested Commission Action: Discuss new progress and provide input.

6. **Staff Report**

7. **Other**

8. **Adjournment**

**ROSEVILLE PARKS AND RECREATION COMMISSION
MEETING MINUTES FOR JANUARY 10, 2013
ROSEVILLE CITY HALL ~ 6:30PM**

PRESENT: Azer, Boehm, Diedrick, D. Holt, M. Holt, Ristow

ABSENT: Wall, Doneen, and Simbeck notified staff ahead of time about being unable to attend

STAFF: Anfang, Brokke, Evenson

1. INTRODUCTIONS/ROLL CALL/PUBLIC COMMENT

None

2. APPROVAL OF MINUTES – DECEMBER 4, 2012 MEETING

Commission Recommendation:

Minutes for the December 4, 2012 meeting were approved unanimously.

3. PARKS & RECREATION RENEWAL PROGRAM

Brokke and Evenson provided Commission with updates on the most recent Renewal Program events.

- Staff reviewed the draft Public Engagement Strategy, the draft implementation schedule and the proposed meeting schedule.
- Brokke pointed out the Renewal Program logo that was designed with help from the Communications staff. This logo is expected to become an identifiable icon that will be used on project signage, communications tools and program reports.
- Brokke clarified the intent for meeting notifications is one mailing to the community surrounding the project area and additional communication and postings on electronic sites like the City Website, Nextdoor.com, email groups, City signage, Roseville Patch. Notifications will be mailed about 2 weeks prior to the meetings.
- Jeff walked the Commission through the implementation schedule draft including project description, community meeting schedule, project costs and start and completion dates.
- Commissioners inquired how things will work when there are multiple meetings on a single night – staffed talked about how meetings might be scheduled back-to-back or multiple staff facilitating different meetings at the same time.
- Brokke brought the Commission up-to-date on the Playgrounds and Natural Resources RFP process. The Best Value process will be used to hire contractors. The pre-proposal meeting for these areas is scheduled for January 28.
 - o Commissioners inquired into the scope of work for the projects and how that might be handled. Evenson replied that one or multiple vendors could be used on projects.
 - o Commissioners asked for more information on the playground projects. Staff explained that \$1.6M has been identified for playground replacements over the next 3 years. The play areas have been grouped into three levels, smaller neighborhood parks will receive playground upgrades costing approximately \$75,000, sectors can expect a slightly larger playground costing about \$125K and 2 community play areas are scheduled for Central Park costing about \$225K each. Roseville has identified a number of criteria for selection including diversity and uniqueness as well as a “WOW factor”. In the end the project outcomes will be evaluated by happy users, on-time delivery and on-budget projects.

- o Commissioner D. Holt responded by recognizing that the Best Value approach and using Best Practices contribute to a good project package.
- Commissioner Ristow shared his experiences about being approached by individuals from other communities that have learned about Roseville's renewal program asking for information and giving recognition for doing the right thing.
- The Natural Resources and Trails committee has been meeting and working with staff on volunteer projects and future project recommendations.
 - o Staff reminded Commissioners that the Master Plan calls for a natural area to be included in every park that is part of the renewal program and also included the addition of an education component tied to the Nature Center whenever possible.
 - o The Renewal Program Natural Resource projects will involve a design build contract.
 - o Natural Resource RFP will identify a process for future restoration and recognize city-wide issues related to restoration.
 - o Evenson updated the Commission on the January 2nd Natural Resources and Trails committee meeting.
 - Work is progressing on the Reservoir woods Buckthorn project.
 - Public Works staff are pulling together more information on pathways and trails for the committee to review/discuss.
 - Volunteers and staff are looking at the possibility of completing pathway connections for a constellation or two to demonstrate the concept and hopefully provide motivation for future attention.
 - Mary Holt recognized that there are areas in the system that only need small connections to make the pathway system in that specific area complete.

Commission Discussion:

- Commission Chair Holt introduced the January 28 Best Value Presentation at the Council meeting. The session will be led by the ASU staff. Commissioners, school district representatives, Ramsey County staff will be invited to join the Council for the information session.
- Mary Holt asked about the Volunteer coordinator position. How should the Commission pursue a Council recommendation? Recently, community members have shown that people are anxious to be involved and want to help support various projects.

4. MEETING CALENDAR FOR 2013

- June 10th was suggested as the Parks and Recreation/Council Joint meeting date.
- The August meeting date was suggested to begin at 8pm to allow Commissioners time to participate in local Neighborhood Night Out activities.
- A Saturday September date will be discussed later. This time is traditionally used to tour park locations and parks and recreation facilities.
- The rescheduled November meeting date will be set at a later time.
- Commissioners recommended that additional meeting time be added to the June 10th meeting to review renewal program activities and other Commissioner related items.
- Commissioners also suggested considering a July meeting in an effort to stay connected through the heat of the renewal program.

98
99 **5. STAFF REPORT**

- 100 • Thank you again to Goodmanson Construction for sponsoring the 2012 New Years
101 Eve Celebration on Ice at the Skating Center.
102 • Winter Brochure has now been delivered to area homes.
103

104 **6. OTHER**

- 105 • Commissioner Azer commented on her daughters taking skating lessons at the arena
106 and how much the family has been enjoying skating on neighborhood rinks.
107 • Commissioners Simbeck and Wall have volunteered to research and analyze
108 information on a possible Park Board in Roseville
109

110 Meeting adjourned at 8pm
111

112 Respectfully Submitted,
113 Jill Anfang, Assistant Director

DRAFT

Parks and Recreation Commission Goals 2013 – 2015

Goal	Timeframe	Action Steps	Assigned	Progress
#1 Encourage citizen participation volunteers	Renewal: 2012-2015 Long-term Ongoing	1.
