Subject: 9.a Councilmember Pust Short and Long Term Goals

3 short term goals

- Increase walkability within Roseville and regional community
- Stabilize property tax rates to encourage investment in and improve quality of Roseville housing
- Increase support for and quality of services/programs for seniors

3 long term goals

- Increase availability and access to public transportation, including bus, light rail, etc
- Improve/increase shared services by better collaboration with other local government (public safety/administration/parks and recreation)
- Build effective partnerships with the private sector to actualize new urban design concepts in future redevelopment
